IMPORTANT STATEMENTS TO BE READ BY APPLICANT

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid or Medi-Cal and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid or Medi-Cal, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid or Medi-Cal for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid or Medi-Cal. If you are no longer entitled to Medicaid or Medi-Cal, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid or Medi-Cal eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the Medi-Cal program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB). If you want to discuss buying Medicare supplement insurance with a trained insurance counselor, call the California Department of Insurance's toll-free telephone number 1-800-927-HELP, and ask how to contact your local Health Insurance Counseling and Advocacy Program (HICAP) office. HICAP is a service provided free of charge by the State of California.

A rate guide is available that compares the policies sold by different insurers. You can obtain a copy of this rate guide by calling the Department of Insurance's toll-free telephone number (1-800-927-HELP), your local HICAP office, or by accessing the Department of Insurance's Internet web site (www.insurance.ca.gov).

I wish to apply for a Medicare supplement insurance policy. I represent that my answers and statements on this application are true and complete. Instructions for Completion of Authorization for Electronic Funds Transfer (ACH/BSP) Form

Option A: Pay all premiums (1st month and monthly renewals) by Electronic Funds Transfer (EFT).
Automated Clearing House (ACH) is used for initial payment and **Bank Service Plan** (BSP) is used for renewal payments. When choosing to pay both the initial and monthly renewals by EFT, the applicant must complete the form and submit it with the application. DO NOT submit a signed check for payment under this option. To avoid potential delays in processing, submit a voided check and complete the account information (routing/account numbers, name of financial institution) on the form.

Option B: Pay 1st month by paper check and monthly renewals by BSP
When choosing to pay the initial premium via paper check and the monthly renewals by BSP, the applicant must complete the form and submit it with the application. A signed check for the initial monthly premium must be submitted with the application.

DO NOT submit a signed check for the initial premium payment under this option. To avoid potential delays in processing, submit a voided check and complete the account information (routing/account number, name of financial institution) on the form.

When choosing to pay initial premium by ACH, money will be withdrawn on the date the application is processed. This may be different from the monthly withdraw date selected for renewal premiums.

Payments cannot be postponed until a later date.

Payment from a third party, including any foundation, cannot be accepted.

All refunds will be made to the applicant in the event of rejection, incomplete submission, overpayment, cancellation, etc.

Please complete the Electronic Funds Transfer form accurately and in its entirety, making sure that all required information is correct and complete on your Electronic Funds Transfer form prior to submission. In addition, please make sure that the premium amount is filled in on the Electronic Funds Transfer form so we can initiate a timely and accurate withdrawal from your client's bank account.

An example of how to find correct Routing and Account Numbers on your clients' checks is included at the top of this form. Do not include the check number as part of either the Routing or Account Number. The applicant's bank name is normally included above the Memo line on the check.
