

Still \$0* monthly premiums.

Good news. SecureHorizons® hasn't raised monthly Medicare Advantage premiums this year.

AARP® MedicareComplete® from SecureHorizons® Medicare Advantage health plans still have \$0 premiums. That means you pay no more than your Part B monthly premium for all the plan's benefits and services.

Most \$0 premium plans from SecureHorizons offer all the benefits of Original Medicare, plus lower copayments and extra benefits and services. And in many cases, your Part D prescription drug coverage is built right into the plan.

Other benefits may include:

- \$0 copay per day for inpatient hospital care
- \$0 copay for primary care visits and \$0 copay for specialist visits
- Gym membership including fitness classes offered through SilverSneakers® at no additional cost
