

# Still \$0\* monthly premiums.

## Good news. SecureHorizons® hasn't raised monthly Medicare Advantage premiums this year.

AARP® MedicareComplete® from SecureHorizons® Medicare Advantage health plans still have \$0 premiums. That means you pay no more than your Part B monthly premium for all the plan's benefits and services.

Most \$0 premium plans from SecureHorizons offer all the benefits of Original Medicare, plus lower copayments and extra benefits and services. And in many cases, your Part D prescription drug coverage is built right into the plan.

### Other benefits may include:

- \$0 monthly health plan premium including both medical and Part D coverage
- Predictable costs for doctor visits and medical services
- Annual medical out-of-pocket maximum helps you budget for health care expenses
