- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

Notice to Applicant regarding replacement of Medicare supplement insurance or Medicare Advantage  
**SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.**

According to your application, you intend to terminate existing Medicare supplement insurance or Medicare Advantage and replace it with a policy to be issued by Sentinel Security Life Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that the purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

**STATEMENT TO APPLICANT BY ISSUER, AGENT**

**I HAVE REVIEWED YOUR CURRENT MEDICAL FOR HEALTH INSURANCE COVERAGE.** To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason(s) (check one):

- Additional benefits.
- No change in benefits, but lower premiums.
- Fewer benefits and lower premiums.
- My plan has outpatient prescription drug coverage and I am enrolling in Part D.
- Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment.

Other. (Please Specify) \_\_\_\_\_

1. State laws provide that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.

2. If, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for any company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

**Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.**

**IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES**

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

- 1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?  YES  NO
- 2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract?  YES  NO

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1. _____			
2. _____			
3. _____			

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

**SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.**

According to your application, you intend to terminate existing Medicare supplement insurance or Medicare Advantage and replace it with a policy to be issued by Sentinel Security Life Insurance Company. You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. **IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES**

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

- 1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?  YES  NO
- 2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract?  YES  NO

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1. _____			
2. _____			
3. _____			

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

I do not want this notice read aloud to me. \_\_\_\_\_ (Applicants must initial only if they do not want the notice read aloud.)

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

**PREMIUMS:**

- Are they affordable?
- Could they change?
- You're older—are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

**POLICY VALUES:**

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

**INSURABILITY:**

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

**IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:**

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

**IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:**

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

**OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:**

- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

# IMPORTANT NOTICE BEFORE YOU BUY HEALTH INSURANCE

Dear Consumer:

Insurance is a very important, sometimes confusing and generally expensive consumer purchase. Health insurance is one of the most significant coverages seniors consider buying. Many seniors feel they need extra information before making a decision.

## **Free Help Is Available**

Across Iowa there is a network of trained volunteers who can help you compare and analyze health policies you are considering. These volunteers have been trained by people from the State of Iowa Division of Insurance. This free service is available through the **Senior Health Insurance Information Program (SHIIP)**.

## **This Is Object Information**

SHIIP volunteers do not sell insurance. They work, with the help of the Iowa Insurance Division, to provide objective information about the policies you are considering.

## **The Decision Is Yours**

SHIIP volunteers will not recommend companies, policies or agents. They cannot tell you which policy to buy. They can help you understand the "fine print" and what the policy does and does not cover.

## **Where To Call**

For the SHIIP volunteer nearest you call 1-800-351-4664. We hope you will use this valuable service as you consider the purchase of health insurance.
