IMPORTANT STATEMENTS TO BE READ BY APPLICANT

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid or Medi-Cal and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid or Medi-Cal, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid or Medi-Cal for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid or Medi-Cal. If you are no longer entitled to Medicaid or Medi-Cal, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid or Medi-Cal eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the Medi-Cal program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB). If you want to discuss buying Medicare supplement insurance with a trained insurance counselor, call the California Department of Insurance's toll-free telephone number 1-800-927-HELP, and ask how to contact your local Health Insurance Counseling and Advocacy Program (HICAP) office. HICAP is a service provided free of charge by the State of California.

A rate guide is available that compares the policies sold by different insurers. You can obtain a copy of this rate guide by calling the Department of Insurance's toll-free telephone number (1-800-927-HELP), your local HICAP office, or by accessing the Department of Insurance's Internet web site (www.insurance.ca.gov).

I wish to apply for a Medicare supplement insurance policy. I represent that my answers and statements on this application are true and complete. I understand that, upon acceptance of the completed application, each applicant will receive a separate policy. I understand that my policy benefits can start no earlier than my Medicare effective date, my first month's premium has been received and/or processed and my application has been approved by United of Omaha Life Insurance Company.
